Public Guardian and Trustee of British Columbia

PGT's COVID-19 Safety Information

PGT offices are open for in-person service. To help limit the spread of COVID-19 and protect the health and safety of our clients, staff, and our community, we ask that you call rather than coming into the office if you have:

- Symptoms of COVID-19, including cough, shortness of breath or fever;
- A sick family member or have been around someone who is sick; or
- Not completed any quarantine requirements after traveling out of BC.

Our main switchboard line is 604-660-4444. Our website is www.trustee.bc.ca.

Thank you for your patience and understanding.
