FEE SCHEDULE AS EXECUTOR FOR AN ESTATE

Our fees are set by regulation. They are based on the gross value of the estate and the amount of income generated by the estate assets.

When acting as an executor our fees are:

Capital Commission

5% of the appraised value of real estate if transferred to a beneficiary, or 3% of the gross sale price of real property sold by an agent; plus

5% of all other capital assets, including real estate sold without an agent.

Income Commission

5% of interest or other income earned by the estate.

Asset Management Fee

0.7 of 1% per year, computed monthly on the gross value of all estate assets.

Administration Expenses

Administration expenses such as investigation charges, accountant fees, storage, photocopying, postage and other out-of-pocket expenses will also be deducted from estate funds.
