NEW WEBSITE LAUNCHED

VANCOUVER – The Public Guardian and Trustee (PGT) invites you to visit our new website at www.trustee.bc.ca.

We have reorganized the information and added a search feature to make things easier to find. New content such as videos describing our services and recent publications such as Reaching Out (newsletter to adult clients and their caregivers) and Working Together (newsletter for private committees) have been added.

The main purpose of our website is to provide information about the PGT and our services and to respond to the most commonly asked questions or requests for information. In updating our website, our goal was to make it as accessible as possible for our clients and families, service providers and the general public.

Use the Feedback feature to let us know what you think and to send suggestions for further improvements!
