Information for Trustees Reporting to the Public Guardian and Trustee

Why do I file this report?

In some circumstances, Private Trustees are required to report to the Public Guardian and Trustee (PGT) about their management of the funds they hold in trust for minor beneficiaries according to the terms of the trust. The trust instrument naming you as trustee indicates how often you are required to provide a reporting of your accounts to the PGT.

The attached package along with the documentation to support your statements in the forms provides the information that the PGT requires to review accounts. In some circumstances, the PGT will seek clarification and/or additional information regarding certain items in order to complete the review of accounts.

In this publication and your report, we will refer to the person for whom you are trustee as “the minor beneficiary”. If you have any questions about how to complete this form, please contact the PGT Financial Officer at 604.775.3480.

Please note that any personal information you provide to the PGT is collected, used and disclosed in accordance with the *Freedom of Information and Protection of Privacy Act*.

After you have completed the Financial Declaration Form, take the forms to a lawyer or Notary Public and have the Affidavit sworn by all trustees prior to sending the information to us. Trustees may swear their affidavits separately for those who live at some distance apart.

5. Authorization to Request Information

Please sign the authorization to disclose information. This authorization will allow the PGT to ask for information directly from third parties in relation to trust assets and income which will assist in the timely review of the accounting presented. Each trustee should complete a separate Authorization form.

Common questions regarding the reporting process

What is the deadline for sending in my report?

Your report is generally due 30 days after the end of the accounting period. For example, if your accounting end date is October 31, your report is due at the PGT no later than December 1.

Which forms do I fill out?

Please complete all the forms. The Detail Sheet (pages 12-14) only needs to be completed when there is more than one entry per line in the Financial Report. For example, if the trust has two bank accounts, report both on the Detail Sheet and transfer the total of both accounts to the Financial Summary.

Is there anything else to submit if this is my first report?

Please also provide the PGT with the documentation showing the values of all assets and liabilities as of the date the trust was settled.

What are non arm’s length payments or benefits?

Non arm’s length payments are payments that you, as trustee, make to yourself or to your family

members or friends. If you or your family or friends receive payments or benefits from the trust, you may be in a conflict of interest. Such payments may include payment for care provided to the minor beneficiary by you, family members or friends.

As trustee, you may be allowed to take reasonable expenses from the trust as directed by the trust deed and/or court order. Your ability as trustee to make other non arm’s length payments is limited by law and the terms of the trust. In many cases, you are in a conflict of interest in making non arm’s length payments.

Please report all such payments made and provide any documentation that you have for the payments.

What are the fees payable to the PGT for review?

The *Public Guardian and Trustee Fees Regulation* sets the fees charged by the Public Guardian and Trustee for reviewing the accounts. A detailed description of fees and commissions can be found at www.trustee.bc.ca/fees.

Please ensure you attach a cheque made payable to the PGT for the fee when submitting your accounts. No other form of payment is accepted for this fee. An example of the fee calculation is as follows:

The fees currently payable are calculated on the following scale:

Value of all assets as at the end of the accounting period	Fee for each accounting submitted	GST (5%)	Total
Up to \$100,000	\$125.00	\$06.25	\$131.25
Over \$100,000 up to \$250,000	\$200.00	\$10.00	\$210.00
Over \$250,000 up to \$375,000	\$250.00	\$12.50	\$262.50
Over \$375,000 up to \$500,000	\$300.00	\$15.00	\$315.00
Over \$500,000 up to \$600,000	\$350.00	\$17.50	\$367.50
Over \$600,000	\$400.00	\$20.00	\$420.00

An example of the fee calculation is as follows:

If the period is for two years and the value of the assets as of the last date of the reporting period is over \$100,000 but not over \$250,000, the fee is \$210.00 (\$200.00 plus \$10.00 GST).
