## Fee Schedule as Executor for an Estate

Our fees are set by the *Public Guardian and Trustee Fees Regulation*. They are based on the gross value of the estate and the amount of income generated by the estate assets. When acting as an executor our fees are:

### Capital Commission

5% of the appraised value of real estate if transferred to a beneficiary, or 3% of the gross sale price of real property sold by an agent; plus 5% of all other capital assets, including real estate sold without an agent.

### Income Commission

5% of the interest or other income earned by the estate.

### Asset Management Fee

0.7% per year, computed monthly on the gross value of all estate assets.

### Administration Expenses

Administration expenses such as investigation charges, accountant fee, storage, photocopying, postage and other out of pocket expenses will also be deducted from estate funds.

A detailed description of our fees and commissions can be found at [www.trustee.bc.ca/fees](http://www.trustee.bc.ca/fees).
